

The Enbridge Energy Kids are planting trees this spring. Before Digger digs the holes, Browser will call 811 to locate any underground utility lines. While they wait for someone to come and mark the lines, can you color the image and help find the lost items in the yard?

- a bone a rain boot a kite a paddle a water bottle a tablet a pair of safety glasses a paintbrush

It is important to know what to do in the unlikely event of a pipeline leak. Can you help Piper remember what she should and should not do, in the event of a leak?

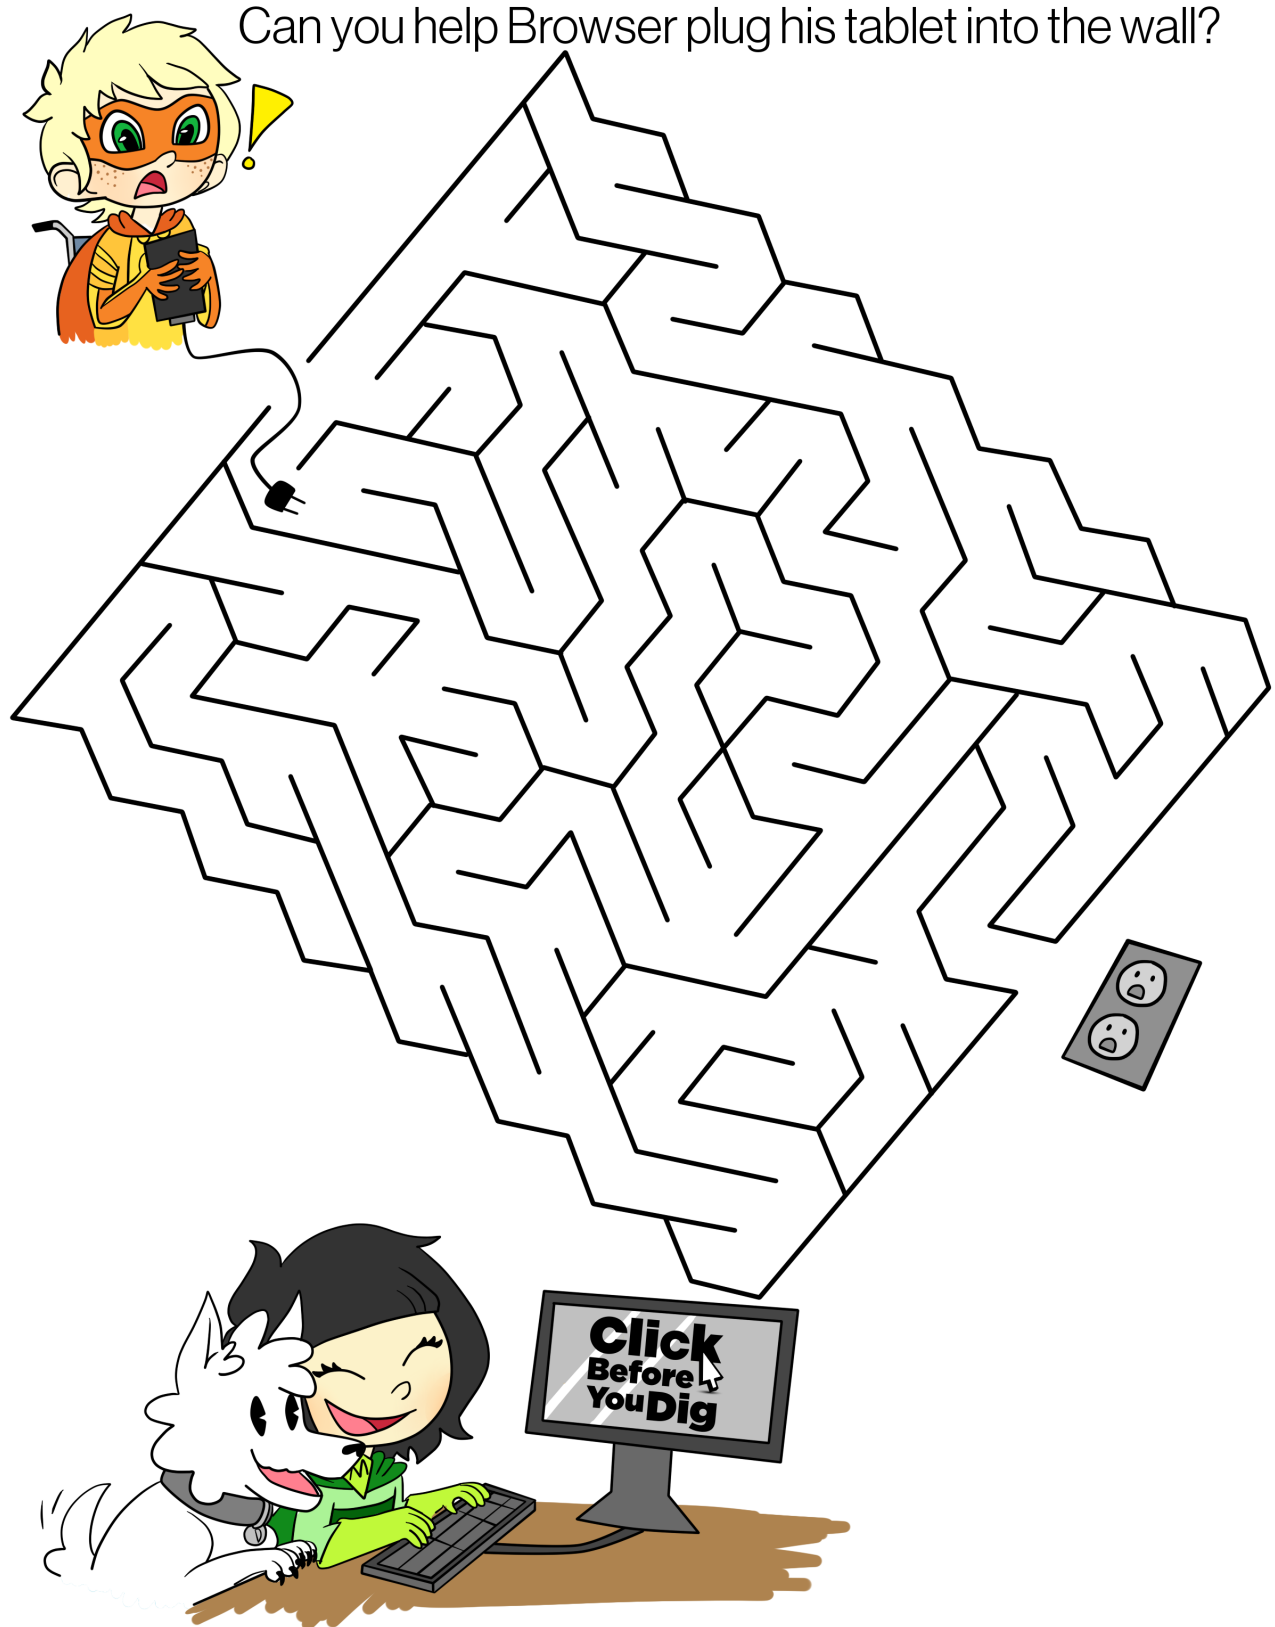

If you need help, check the mini-brochure that's included in your parent's newsletter package!

1. You should move as far away from the leak as possible.
 True False
2. You should not touch liquids or gases that come from the pipeline.
 True False
3. You should call 911.
 True False
4. You should call the 24-hour toll-free Enbridge emergency number.
 True False
5. You should listen to the Enbridge representative's or emergency responders' instructions.
 True False
6. You should not operate pipeline valves.
 True False
7. You should not start your car or drive into the area.
 True False
8. You should not light a match.
 True False

Bonus: What is the 24-hour toll-free Enbridge emergency number?

(Hint: Check your parents' mini-brochure)

Oh no!
 Browser is doing important work on his tablet, but the battery is dying!
 Can you help Browser plug his tablet into the wall?

Did you know?
 You can go online to get underground utilities marked.
